

Broome County Annual Book Recycling Fair CANCELLED

The 2009 Annual Book Recycling Fair will NOT take place this year. As a result of ongoing site issues the event for 2009 has been cancelled and is anticipated to resume in 2010.

If you have books in poor condition, they can be recycled by placing them in your yellow recycling bin. You must check with your hauler for guidelines as some may require you to remove the cover from hard covered books.

If you have good quality books the below are possible alternatives for the books:

- Donate books to your local library.
Contact the library prior to bringing books to ensure they will accept them.
- Donate books to local senior centers or hospitals
Contact facilities to ensure books are currently being accepted.
- Contact a local book store or paperback exchange.
